Israel Update

The Jews, the enemies of Allah and of His Messenger.

And speaking of demonizing Israel and anti-Semitism, Gary Gazarkh has this week's Israel Update which includes an **actual video broadcast on Palestinian television calling for the genocide of the Jews.**

Shaul Goldstein - "The Mayor of Gush Etzion"

And with all the attention that's been paid to Israeli settlements and settlers over the past months, meet Shaul Goldstein, known as **"The Mayor of Gush Etzion"**, who **counters many of the stereotypes people bring to the settler movement** and explains why he is so pessimistic about a peace between Israel and the Palestinians.

Israel Tours

Then, travel with Rabbi Shalom Gold to the excavations of **the Southern Wall that once buttressed the Temple Mount in Jerusalem** on this week's **"Israel Mini Tours."**

Jewish Studies - Kabbalah

Jewish Studies continue this week on Shalom TV as Tony Kosinec explains **"The Equivalence of Form" on his series, "Kabbalah Revealed."**

Hebrew Study

And for those of you learning to read and understand Hebrew on Shalom TV, we have **two episodes** of our original series, "From The Aleph Bet." In series one, review Hebrew **letters that look alike**; and in series two, learn more of the **Hebrew that composes many Jewish blessings**, and what the Hebrew for "king of the universe" really means.

"From Date To Mate" Encore

Also this week, we're encoring the first episode in our popular mock reality series, "From Date To Mate" **to be followed in upcoming weeks with episode 2 and the premiere of episode 3** as **young Jewish singles search for that special someone** with the help of an on-line dating service, J-Match.

Noah Alper

And meet a delightful man, **Noah Alper, founder of Noah's Bagels**, who **discusses his sense of Jewish business ethics** and how his entire career has been dedicated to strengthening the Jewish community.
